Attached are 4 schedules for Gulfco using alternative scenarios as follows:

1. PRPs complete RI/FS under the UAO and Removal under an AOC;
2. PRPs complete RI/FS under the UAO, and a Fund removal is done;
3. EPA performs both RI/FS & Removal as a fund lead project; and
4. PRPs perform both the RI/FS and Removal under AOCs.

Please review the schedules & let's discuss them at the team meeting

next Tuesday (1/19/2010). I'll be working at home tomorrow, so feel free to call me there (972/303-0524) if you have any questions.

Thanks,
